

*Sail on in joy and hope
To have the playful breeze*

*Sail on in joy and hope
To have the playful breeze*

*Sail on in joy and hope
To have the playful breeze*

*The wind goes by
And leaves to die*

*Sail on in joy and hope
To have the playful breeze*

*Sail on in joy and hope
To have the playful breeze*

*Sail on in joy and hope
To have the playful breeze*
