

Instrument cluster display showing fuel level, gear position, and mileage.

Top section: Fuel gauge with 'H' (High) on the left and 'F' (Full) on the right. The needle is positioned between 'C' and 'E'. A fuel pump icon is on the right. A large 'P' indicates the vehicle is in Park. A car icon is at the bottom right of the gauge.

Middle section: Digital display showing **97 km**.

Bottom section: Digital display showing **ODO 179484 km**.
