

A blue square sign with a white border and the number "45" in white, mounted on a vertical wooden post. The post is part of a larger wooden structure, possibly a roof or a wall, with corrugated metal siding visible in the background. The sign is slightly tilted to the right. The number "45" is centered on the sign and is clearly legible. The wooden post shows signs of weathering and has some small orange spots. A black cable runs vertically down the right side of the image, and a shadow is cast on the wall to the right of the post.
