

A close-up photograph of the rear quarter panel of a red car. The car's body is a vibrant, glossy red. A silver, three-dimensional badge with the word "COLT" in a stylized, blocky font is mounted on the panel. The top edges of the letters are covered in a layer of white snow. To the left of the badge, a portion of a red taillight is visible. Below the main body panel, a black plastic bumper or trim piece is partially shown, also with snow on its top surface. The background is a bright, snowy outdoor setting with some bare tree branches visible in the upper left corner.
